STATE OF MISSOURI,)	Honorable Nancy L. Schneider

Respondent.)	Filed: March 21, 2017

Kenisha McNeil (“Movant”) appeals from the judgment of the Circuit Court of St. Charles County denying her Rule 24.035¹ motion for post-conviction relief without an evidentiary hearing. Movant raises one point on appeal, arguing the motion court erred in denying her motion because she pled facts, not refuted by the record, demonstrating that her plea counsel was ineffective because she “failed to inform, or timely inform, [Movant] about a change in the plea agreement prior to the time [Movant] was brought before the court to enter her pleas.”

DISMISSED.

DIVISION THREE HOLDS: Movant’s appeal from the denial of her Rule 24.035 motion for post-conviction relief is dismissed pursuant to the escape rule. Movant willfully absconded from justice for more than eight months causing an adverse impact on the criminal justice system.
